Dear Chairman Pai,

I support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05-311.

Arlington Community Media Inc. (ACMi) is an important part of Arlington. Although I am currently not an Arlington resident, I have enjoyed my time there. The people are friendly, knowledgeable and are always helpful. I know that I would have spent thousands of dollars for technical support if it were not for ACMi.

There are many seniors in community who do not have any budget for tech support so they are grateful of ACMi's help. ACMi also provides additional comprehensive community services include local news reporting which are a necessity for Arlington.

I hope there will be continual support of community media.

Thank you.

Michael Chang, DMD
